

# PROTECT YOURSELF.

## Get the COVID-19 vaccine.

*At CalvertHealth Medical Group, your health and safety are our top priority. We know how anxious many of our patients are to receive the COVID-19 vaccine - and how overwhelming registering for and obtaining the vaccine can be due to the limited supply. Here is a list of resources and tips to help you navigate the process. Please ensure the email address you have on file with your provider's office is accurate. This is how you will be contacted regarding vaccine communications.*

### PRE-REGISTER FOR A COVID-19 VACCINE THROUGH YOUR COUNTY'S HEALTH DEPARTMENT

Your local health department has a plan for vaccinating county residents in accordance with Maryland's phased approach to vaccination and vaccine availability. Visit the website for your county of residence or use the QR Codes below to navigate. TIP: Most county health departments offer a phone line to call if you need assistance with pre-registration and/or the registration for your COVID-19 vaccine appointment.

Anne Arundel County  
Health Department

Calvert County

Charles County  
Health Department

St. Mary's County  
Health Department

### MASS VACCINATION SITES & MARYLAND VACCINE FINDER

Maryland has established mass vaccination sites at Six Flags America, The Baltimore Convention Center, M&T Bank Stadium and plans to open a site mid-March at Regency Furniture Stadium. You can schedule an appointment for these locations and view all vaccination sites statewide through Maryland's COVID-19 Vaccine Finder. Scan the QR Code for more details. You will need to meet current criteria in order to register for a vaccine. TIP: Text MDReady to 898-211 to sign up for text alerts, including when vaccine appointments are available at mass vaccination sites. You will have to act quickly as appointments fill fast.

Finder Site

### PHARMACIES

Many area pharmacies are offering COVID-19 vaccinations by appointment to those meeting the criteria. You do not have to be a resident of the county the pharmacy is located in to register for a vaccine. Each specific pharmacy may have a different registration process and locations may vary.

CVS Pharmacy

Giant Pharmacy

Safeway Pharmacy

Walgreens Pharmacy

Calvert  
Health

*Although you may register for vaccines across multiple sites and platforms, once you have a confirmed appointment, please remember to remove yourself from all other waiting lists to expedite the process for your fellow community members.*

*Need Assistance? For those who do not have an email or need translative services, contact the MD Vaccination Support Center at 1-855-MD-GOVAX (1-855-634-6829).*
