Thank you for choosing CalvertHealth Medical Group (CHMG) as your health care provider. We are committed to building a successful provider-patient relationship with you and your family. Please understand that payment of your bill is part of your care. This Patient Financial Policy is intended to help avoid misunderstandings by detailing your financial obligations.

Insurance: Please confirm your provider is enrolled with your insurance carrier prior to scheduling your visit. We participate in most insurance plans, including Medicare. If you are not insured by a plan we accept, or if you choose to submit your claim yourself, payment in full is expected at each visit. We will provide you with appropriate documentation so that you can submit a claim to your insurance company.

If we do participate in your plan, but you do not have a **current insurance card** or the **designated primary care provider** is not a CHMG provider, payment is required in full for each visit until we verify coverage. Alternatively, if we do not participate in your insurance plan and you choose to see our providers, or if you do not have insurance and choose to see our providers, you will be considered 'self-pay' subject to the terms defined later in this document.

Proof of Insurance: If you have insurance and we submit claims on your behalf, we require a copy of your driver's license or other government issued photo ID and your current insurance card at each visit. This information must be provided prior to seeing a provider (physician, nurse practitioner or physician assistant).

Claims Submission: Your insurance benefit is a contract between you and your insurance company, and the charges for any services provided are your responsibility. We will submit claims to your insurance (primary and secondary or supplemental) company on your behalf. In order to submit claims, we require the patient's name, address, and date of birth, as well as the policyholder's name, address, and date of birth. This information must match exactly what your insurance company has on file for you, including exact name, address, and policy number. Any missing or incorrect information provided may result in claims being denied or reimbursement being delayed, in which case you may become responsible for the full amount of the services provided.

Coverage Changes: Please notify us before your scheduled appointment if any of your insurance information has changed. This includes changes of employer, insurance provider, address, policy number, covered dependents, etc. Not having up-to-date information may result in claims being denied or delays in reimbursement in which case you will become responsible for the full amount of the services provided.

Co-Payments: If your insurance company requires co-payments, those co-payments must be paid at the time of service. We collect co-pays during appointment check in.

Deductibles and Out-Of-Pocket Expenses: We will bill you for any outstanding balance once your insurance company has processed your claim and made payment to us. This balance may include your contracted deductible or other out-of-pocket expense as determined by your insurance policy. Payment for outstanding balances is expected within 30 days of the statement date and/or at your next appointment.

Referrals: It is your responsibility to obtain any necessary referrals from your primary care provider prior to receiving treatment. Patients who elect to receive service without a proper referral will be required to sign a waiver and will be expected to pay for the service prior to treatment.

Payment: We accept payment by cash, debit card, check, VISA, MasterCard, Discover, and American Express. All outstanding balances must be paid at time of service unless prior arrangements/payment plans have been set up. As a convenience to our patients, all CHMG practices are able to collect payments for all other CHMG practices.

Returned Check Fee: We charge a \$25.00 fee for returned checks. In the event a check has been returned the patient must pay by credit card or cash. If a second check is returned, in addition to the returned check fee, you will be asked to pay by cash, money order, cashiers' check, or credit card for all future visits.

Self-Pay: A Self-Pay patient is any patient who does not have health insurance; chooses to submit their own claims, see a CHMG provider who does not participate in their health insurance plan, receive a service that requires a referral from their insurance company or primary care provider when they do not have the referral with them or receives a treatment they know is not covered by their insurance company.

Financial Assistance: The Practice has payment plans, financial assistance, and sliding fee scale, to uninsured and others with self-pay balances. Please ask the office assistant for further information.

Non-Payment: If a balance remains unpaid past 90 days your account will be transferred to a collection agency or collection attorney. In the event your accounts remain in delinquent standing with the collection agency, you may be terminated from the medical group.

Minor Patients: Any adult (parent or guardian) accompanying a minor child to their appointment is responsible for payment for all services rendered to the minor child at the time of the appointment.

Physicals: Department of Transportation (DOT), 500, sports, camp and work physicals are not usually covered by any insurance companies. Payment for these services are expected at the time of service.

Personal Injury Claims: CHMG will bill the current health insurance for treatment covered by the insurance company. All applicable co-pays will be collected at time of service.

Account Consultation: Providers (physicians, nurse practitioners, physician assistants) are not trained to discuss financial issues with patients. Only CHMGs billing staff is trained to discuss your account, including charges, fees, payments, and payment arrangements. If you have questions about any of the financial issues related to your account, please contact the **billing office at 410-414-4555**.

Worker’s Compensation: Prior authorization is required from your employer before service can be provided. We require the following information for each claim submitted on each date of service: state where injury occurred (i.e. Maryland); date of injury; exact location on the body where the injury occurred and that is covered by the claim. If the claim is denied and you do not have health insurance, the charges will become your responsibility.

Thank you for choosing CHMG as your health care provider. We are committed to building a successful provider-patient relationship with you and your family. We understand there are times when you must miss a scheduled appointment or cannot cancel or reschedule in a timely manner; however, when you do not call to cancel a scheduled appointment at least 24 hours prior to the appointment or miss a scheduled appointment without notice, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise when another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly “full” appointment book.

To help avoid misunderstandings, we are providing you with our No Show and Late Cancellation/Reschedule Policy. For purposes of this policy, a late cancellation is when a patient cancels or reschedules a scheduled appointment but provides less than 24 hours’ notice. Late cancellations will be treated as a ‘no-show’ per CHMG policy.

The following policies will apply to ‘no-shows’ and late cancellations/reschedules, combined, on a rolling 12 month period.

‘No-Shows’ and late cancellations/reschedules for Office Visits:

- First offense will prompt a warning letter to the patient regarding their no-show or late cancellation/ reschedule occurrence and a notation will be made in the patient’s chart.
- Second offense will prompt a phone call from the practice to the patient and 2nd warning letter will be sent to the patient.
- Third offense will prompt the patient to be discharged from the practice. The patient will receive a letter of discharge by certified mail and the patient portal.

‘No-Shows’ or late cancellations/reschedules for Procedure:

- Patient will automatically be charged a \$100 ‘no-show’ or late cancellation/reschedule fee. The practice staff will print a copy of the signed No-Show and Late Cancellation/Reschedule Policy along with the fee ticket, and mail to the patient.

Additional Information:

The No-Show and Late Cancellation/Reschedule Policy is not provider specific but applies across all CHMG practices, such that a no-show or late cancellation/reschedule for one provider could impact the patient’s ability to schedule appointments with another CHMG provider. **For a listing of all CalvertHealth Medical Group providers and practices, please go to CalvertHealthMedicalGroup.org.**

All applicable no-show and late cancellation/reschedule fees must be paid prior to scheduling future appointments with any CHMG provider.

My signature below certifies that I have read, understand and agree to the terms of the No Show and Late Cancellation/Reschedule Policy.
