

Welcome to Calvert Health System

Pediatric Physician located in Southern Maryland

Excellent full-time opportunity for a board certified / board eligible Pediatric Physician to join our network and partner with **Calvert Health System**, known for its long-standing tradition of high-quality care, financial success and medical expertise. The hospital has built a relationship with the community based on trust and is invested in improving the delivery of care-on a daily basis.

An established partner of **Calvert Health System** is planning to hire an additional Pediatric Physician. The group requires assistance with the high demand from the community and is accepting candidates who are board certified or board eligible. Final-year fellows are encouraged to apply.

What You Receive:

- **Relocation Reimbursement**
- **Sign-on Bonus**
- **Retirement Package**
- **Competitive Compensation Package**
- **Medical Benefits**
- **CME Time**
- **PTO**
- **Life Insurance and Malpractice Coverage**

Join the **CalvertHealth** medical community and know that you will be a partner in exceptional care.

As the Medical Gateway of the Calvert Peninsula, **Calvert Health System** is surrounded by unlimited opportunities to enjoy nature at its finest. The Calvert Peninsula is an outdoor enthusiast's dream including waterfront resorts, sailing and boating situated between the Chesapeake Bay to the east and the Patuxent River to the west and conveniently located just south of **Washington, DC, Baltimore** and **Annapolis**, and is close to many state and local parks. Outdoor adventures, coupled with breath taking views, make the Calvert Peninsula the ultimate playground. Unique shopping, great schools, festivals, events, and an array of locally-owned restaurants make this safe, family friendly community a great place to live, learn and work.
